

JOSE WALES

José Wales Category - KCs Corral

Modified 3/2010

Either smokeless or black powder may be used for all weapons.

Any SASS legal pistol may be used (mix and match of fixed sights and adjustable sights are ok).

Any SASS legal side by side shotgun (s/g) may be used.

Pistols shot for the pistol section of the stage may be shot using any legal SASS shooting style.

Pistols used for the rifle section of the stage may be shot using any SASS shooting style.

Pistols may be carried in 4 legal SASS holsters or 2 pistols may be carried to the stage and staged safely on the props under the direction of the timer operator. If the shooter needs to carry 2 pistols to the line, assistance will be provided.

If the stage calls for the rifle to start at port arms, the pistol will be started in hand, in the low-ready position.

These are the rules we will use to shoot the José Wales category in the beginning. Later the rules may be modified as necessary.
